OFFICE OF LEGISLATIVE COUNSEL

	Wednesday - 7 February 1973
25X1	1. Called Jack Ticer, Senate Armed Services
	Committee staff, and briefed him on the situation concerning the disclosures
	made by Representative Edward I. Koch with respect to Agency contacts with
	law-enforcement agencies. I also advised Ticer of Mr. Helms' appearance
	before the Senate Foreign Relations Committee this morning. Ticer could
	not see why Koch had gotten so upset about this and said he hoped that Helms
	would be bullish about the matter when he appears before the Foreign Relations
	Committee. Ticer said he would like to have a copy of Jack Maury's letter
	to Koch.
25X1A

20/1/1/	said Braswell, Committee Chief Counsel, might be concerned that the
	expenditures for Laos will be as high as they were in Fiscal 1973explained that these figures represent the worst possible case and in the
	event of a Laos cease-fire would probably be reduced with the funds reprogrammed
	event of a mass cease-life would probably be reduced with the funds reprogrammed
25X1	3. Met with Bill Woodruff, Counsel, Senate
	Appropriations Committee, whom I briefed on the situation regarding my letter
	to Representative Edward I. Koch and the resulting controversy about Agency
	involvement with local police forces. I also brought Woodruff up-to-date on
	our relationships with the ITT and the fact that we were completely clean
	regarding the Watergate business. I left with Woodruff copies of my letter
	to Koch. Woodruff said he planned to take over his Defense job about 1 March.
